

Melvorn

The stylish Melvorn is a beautifully modern home with great features and a distinct family focus. This home provides each family member with individual space, while offering a commercial open plan kitchen, dining and living that brings people together in a relaxed and comfortable way. There is an office space near the entry and the bedrooms flow off a central corridor including a luxurious master bedroom and ensuite. The Melvorn is your sanctuary.

Floor Area: 191m²
